

## Office for Foreign Investors

**YOU WANT TO DEVELOP YOUR  
INTERNATIONAL ACTIVITIES**

**LET US MAKE YOUR RELOCATION  
TO WALLONIA A SUCCESS**

### **You can ask us anything:**

- Which companies in your sector are already established in Wallonia?
- Where to track down financial backers ready to invest in your project?
- Which location is best suited to your specialty?
- Which is the most suited legal status for a small or medium sized company in the services sector? Or for a large production unit?
- How to strike up a research partnership with a Walloon university?
- How to find your way through the diversity and complexity of economic development programs offered by the European Commission?
- etc.

### **We are your contact and your reference**

We will keep our promise because we have a very effective tool: a network of specialised, official and private partners all over Wallonia.

OFFICE FOR FOREIGN INVESTORS

*To keep in touch with your needs, we offer you a global start-up solution, taking care of:*

- your social needs (recruitment and training of workforce),
- your financial needs (search for capital and funding),
- your legal needs (setting up an operational structure),
- your fiscal needs (optimisation of your location),
- your real estate needs (search for suitable buildings),
- and even your needs for local integration (education, schooling).

Generally speaking, we simplify your life by playing the role of an interface with European, federal, regional administrations and bodies or local authorities.

### **Your activities in Wallonia have started on the right track? Congratulations !**

If you require more information, advice or assistance, you can always count on us. Especially when it concerns **expansion projects** in Wallonia or **exporting** from Wallonia.

Thanks to our network of partners, we will remain **your long-term ally**.
